## **SPOT THE SIGNS: MODERN SLAVERY IS ON YOUR DOORSTEP**

---

**Slavery in the 21st century is often enforced by threats to the individual, coercion, abduction, fraud and deception. Victims range from men and women to children, they can be of all ages and backgrounds.**

There are a number of signs that may indicate someone is the victim of slavery which include:

- Abuse or malnourishment
- Appears to be under the influence of others
- No access to identification documents
- Living in overcrowded accommodation

Visit [crimestoppers-uk.org/SlaveryOnYourDoorstep](https://www.crimestoppers-uk.org/SlaveryOnYourDoorstep) for more information on the different types of slavery and other possible signs.
